Dear Ms. Tyson Laticia S.

I have rewritten the amendment according the requirement by USPTO. I enclosed the following documents within this letter:

- 1). Amendments to claims (11 pages);**
- 2). Remark/arguments (2 pages);**
- 3). New version of the 1-28 claims**

As the claims are re-arranged and have a lot of different with the old version, I attached a total new version of the 1-28 claims for your reference. If you need further information or explanation related with my invention, please inform me as soon as possible.

Thank you for your help.

Best Regards,

Beizhan Liu
